

ALAIA

Natural, breezy, simple and soulful

St. Jean - 2 or 3 bedrooms - 3 bathrooms - Pool

The designer of the recently renovated Villa Alaia (ABE) has perfected the art of subtraction. The beauty of this luxury rental property lies not in what is there—although the Christian Liaigre furnishings, the natural materials, and the inviting textures are plenty appealing—but what is absent. Gone are any sign of pretense, clutter, or complication. There are no TVs in the bedrooms, which makes it easy to disconnect and escape from distractions. Rather, the focus stays firmly where it should be: on your loved ones and your carefree time on vacation together.

The layout of Villa Alaia (ABE) is simple and intimate, well set up for families or groups of friends to share time together and have quiet, private quarters to which they can retreat. And its location within St. Barth makes it very convenient. In St. Jean, it is just a short drive down to Nikki Beach and the rest of the social life in the area. (Sibarth's concierge is ready to make reservations, among many other special services.) Some guests even walk. Does island living get any more simple?

The fully air-conditioned main house contains a living and dining area with whitewashed wood paneling on the walls and unfussy furniture, as well as a TV with the Dish Network, in case you prefer not to be entirely cut off from the world. The oversize dining table is generally set for four, although there is room for additional chairs. The compact galley kitchen is open to the dining area and features a blackboard on which guests can express their artistic side.
