Pointe Milou - 1, 2 or 3 bedrooms - 3 bathrooms - Pool

Villa Bayugita (BAY) is a beautiful, contemporary villa located in Pointe Milou, St Barth with a spectacular view of the sparkling ocean and the outlying deserted islands. The villa has sun all day and at sundown the skies are ablaze with hues of oranges and pinks as the sun sinks behind the hills in the west. Villa Bayugita is totally constructed in Java teak with the interior furnished with elegant, custom made African imbouya wood, and teak furniture with rich colored fabrics giving a warm elegance. The pool is part-in and part-out of the living room and partly shaded. One bedroom is directly off the living room. It has a 4 poster king bed which takes advantage of the stunning ocean views. The ensuite bathroom has a double vanity and an outdoor shower. On the lower level there is the second bedroom. A third bedroom has recently been added. It is situated next to the kitchen.

Sibarh Bespoke Villa Rentals is proud to offer the luxury and location of Villa Bayugita.
