

BYZANCE

Dramatic, exotic, and opulent, with sunrise and sunset views

Colombier - 2 bedrooms - 2 bathrooms - Pool - Jacuzzi

Slightly hard to define and pleasingly outside the norm of standard St. Barth luxury rentals, Villa Byzance (BYZ) is a place unto itself. The name is taken from the French word for Byzantium, an ancient Greek city that was later the capital of the Roman and then the Ottoman Empire. Suffice it to say that the influences and design are eclectic.

Villa Byzance occupies a prime piece of land on the island, in Colombier and within minutes of the beach and shopping. Not only does it have ocean views, but it also has multicolored panoramas and sunrise and sunset.

The color scheme is simple and muted: mostly calming shades of gray and white, beneath high vaulted ceilings and with expansive sea views and abundant natural light from the wide, arched windows.

The layout is also somewhat unorthodox. There is no clearly defined living room. Rather, each of the two bedrooms has its own living room. Each of the bedrooms is air-conditioned and has a platform king-size bed, ensuite bathroom, and terrific views. It's perfect for parents and adult children, or two couples traveling together, but it is not suitable for children or pets.

For larger gatherings, there is an outdoor sunken sitting area and a central, shared kitchen.
