

PALM SPRINGS

Uniquely inspired design, breathtaking sunsets

Gouverneur - 2, 3, 4 or 5 bedrooms - 4 bathrooms - Pool - Fitness Room

Drawing inspiration from the streamlined 1960's elan of its SoCal namesake, Villa Palm Springs (GEM) glows with the energy of a clear aesthetic ideal. The main structure of the property refines and reinvents the West Indies "case." Villa GEM's large living area and kitchen are completely open to the terrace, pool, and spectacular view of the Caribbean Sea. During the morning, the living area and the convenient and open kitchen appear as a cool refuge from the sun, while they are fully illuminated by sunlight throughout the afternoon.

The master bedroom suite continues the same level of design consciousness, with custom cabinetry in Brazilian wenge wood, polished concrete floors and carefully planned lighting. Villa GEM's three other bedrooms, each with its own private bath, reflect the stylistic influence of the master bedroom re-imagined in different color schemes.

Villa GEM offers a rare blend of tropical immersion and sophisticated design--palm trees and sunsets alongside white-leather upholstery and Slim Aarons photographs. It is the realization of the dream of its owners, an exceptional home in an exceptional Gouverneur location, among the most desirable on the island.

Sibarth Bespoke Villa Rentals is proud to offer its clients the brilliant design and exquisite comfort of Villa GEM.
