

GOVERNEUR VIEW

Incredible view, enviable location

Gouverneur - 2 bedrooms - 2 bathrooms - Sauna - Pool - Fitness Room

Midway down the hill from Lurin to Plage de Gouverneur, Villa Gouverneur View (REF) offers an ideal location of which many a beach-goer has wistfully thought, "I wish I lived there." Step through the doorway and you are inside one of the finest examples of a classic St. Barth design--open-plan living at its best. To your right is a generous living area decorated with contemporary art, a bright and airy space with comfortable seating for nine. A large HD television and Bose sound system can transform the room into an open home theater with an ocean view. To your left, a convenient kitchen with a five-burner Ambassador range, sided-by-side fridge and freezer, and dual wine storage units will make meals a pleasure to prepare. But as inviting as this is, Villa Gouverneur View's main attraction is directly ahead, where a wide pool shimmers in the sun before a dazzling vista of the Caribbean Sea, the islands of St. Kitts and Nevis often visible in the distance. Walk out on the teak deck and you can see the whole expanse of the lush Gouverneur hillside spilling down to the white-sand beach below.

Sibarth Villa Rentals is proud to offer its clients the majestic view and classic island comfort of Villa Gouverneur View (REF).
